**Dear Professor**

**Hans Erick Stolten**

CAS. University of Copenhagen

We are preparing the Second Seminar on “TRANSNATIONAL CONNECTIONS IN SOUTHERN AFRICA”, under the umbrella theme “Decolonizing and Post-Colonial Experiences”, to be held at the University of Évora, from October 12th to 14th, 2016. The focus will be the connections between people, liberation movements and other organizations in the era of liberation struggles and post-colonial transitions in Southern Africa.

This meeting seeks to bring together specialists and PhD students in the field. The aim is to develop and expand historical debate on the African and Euro-African origins of Transnational Regionalism in Southern Africa, laying the basis for a thematic network on the topic involving several generations of historians and other scholars.

Following previous contacts, we would like to invite you to join us in October and present a paper on *Nordic Solidarity with Southern Africa*.

The seminar will be hosted by FCT Research Center in Political Science (CICP, University of Évora). We expect participants to cover their travel and hotel costs from their institutions or research funds.

We look forward to hearing from you and hope to welcome you in Evora in October.

Best regards,

**Helder Adegar Fonseca (UÉvora) and Chris Saunders (UCT)**
