Letter of support to Hans Erik Stolten

I hereby confirm that Hans Erik Stolten is preparing a book on post-apartheid South Africa for Djøf Publishing in Copenhagen. The working title of the book is *Sydafrikas vej mod demokrati* (South Africa's road towards democracy).

Dr. Stolten is a historian from the University of Copenhagen, where he has worked as a researcher and lecturer at the Centre of African Studies (CAS) through several years. He has written articles, reviews, and reports on South African matters for several periodicals and was the editor of two books on the Danish anti-apartheid movement. He previously worked as a research fellow at the Nordic Africa Institute in Uppsala, Sweden. Among his publications is *History Making and Present Day Politics* discussing historiography in post-apartheid South Africa.

Any assistance granted to Dr. Stolten in connection with his work would be much appreciated.

Yours sincerely
